I am the manager of Vista Villa Apartments in Saginaw. I have been working with Global Landscaping for the summer to take care of our lawn maintenance needs. Global Landscaping has been doing an excellent job maintaining our grounds throughout the season. Jeremy comes in to the office on every visit to see if there are any questions or concerns regarding his work and I have never had an issue to be discussed that wasn't pertaining to what a great job he is doing. I am satisfied as a customer and have great confidence in his work. I have decided to contract with Global Landscaping for our snow removal needs for this coming winter also because I trust and believe in the quality and timeliness of the work that will be provided. I would recommend Global Landscaping to anyone inquiring for a respectable landscaping company to provide them with the same kind of quality service as I have received here at Vista Villa.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie Cooper".
